SUCCEED with TRUE-SPEAK®
Instructor Certification Program
"Train-the-Trainers"

The McGrath SUCCEED with TRUE-SPEAK System provides administrators and managers with valuable processes and tools to have interactions with employees, colleagues, and the educational community that are both legally fit and educationally sound. Use of TRUE-SPEAK builds a thriving culture of trust, respect, understanding and engagement for growth.

As a McGrath Certified SUCCEED with TRUE-SPEAK Local Instructor, you will be able to provide your colleagues with instruction, assistance, mentorship and coaching in the SUCCEED with TRUE-SPEAK concepts and how to:

- Address performance and evaluation with fair, factual and legally-based methods
- Use powerful written and spoken communication skills to resolve issues with integrity and build strong working relationships.
- Implement proactive supervisory methods, within management's rights and responsibilities that will create an environment of accountability and collegiality.
- Apply use of consistent and fair documentation practices for performance supervision, evaluation, discipline or termination, if necessary.
