

Bullying and Harassment Solutions for Schools

How to Educate, Investigate and Remediate

Author Mary Jo McGrath, Attorney at Law, lays out a systematic approach that includes step-by-step practices and procedures for:

- Identifying bullying and harassment
- Complaint intake and management
- Identifying and interviewing witnesses
- Investigating and documenting complaints
- Completing a Case and Report Organizer
- Reaching conclusions
- Forming and implementing remediation plan

Areas of applicable law and potential liability are presented in user-friendly terms that make the duty to protect students clear and accessible.
